

## Community Service Announcement

Does your charitable or not for profit organization have an event or awareness campaign coming up that you'd like a Community Service Announcement for? To be eligible, all CSA requests **need to be submitted via this form only** to Radio Logan 101fm **with a minimum of 3 weeks [21 days]** prior to the event. *[This allows time for our community announcement team to finalise the CSA and to also ensure the event receives sufficient coverage on the 101fm Community File]*

Announcements must be non-political, non-commercial, and should be relevant and of interest to the broader Logan community. Please note: Due to the high number of CSA requests Radio Logan receives, and due to the station's limited resources, not all requests can be met. You will be advised if this is the case.
